

### Faculty name and their specialization

Name of the faculty	Relevant Area of Specialization		
	CAY (2020-21)	CAY(2019-20)	CAY(2018-19)
Prof Savita Gupta	Image Processing, Medical Imaging	Image Processing, Medical Imaging	Image Processing, Medical Imaging
Prof Sukhwinder Singh	Biomedical signal processing and Machine Learning	Biomedical signal processing and Machine Learning	Biomedical signal processing and Machine Learning
Prof Harish Kumar	Next Generation Telecommunication Network, Cyber Security	Next Generation Telecommunication Network, Cyber Security	Next Generation Telecommunication Network, Cyber Security
Prof Sakshi	Security, Network Science, Tele-Health Convergence	Telecommunication Networks, Cloud Computing and Security	Telecommunication Networks, Cloud Computing and Security
Prof Sarbjeet Singh	Deep Learning, Machine Learning	Machine Learning, Cloud Computing	Machine Learning, Cloud Computing
Prof Ajay Mittal	Image Processing	Image Processing	Image Processing
Prof Naveen Aggarwal	AI/ML	AI/ML	AI/ML
Dr Mukesh Kumar	Information Retrieval and Analysis	Information Retrieval and Analysis	Information Retrieval and Analysis
Dr Vishal Gupta	Natural Language Processing	Natural Language Processing	Natural Language Processing
Dr Makhan Singh	Cloud Computing	Cloud Computing	Cloud Computing
Dr Mamta Juneja	Image /Video Processing , AI/ML/DL	Image /Video Processing , AI/ML/DL	Image /Video Processing , AI/ML/DL
Dr Akashdeep Sharma	Machine Learning, Deep Learning, Video Analytics	Machine Learning, Deep Learning, Video Analytics	Machine Learning, Deep Learning, Video Analytics
Dr Nirmal Kaur	Distributed Computing	Distributed Computing	Distributed Computing
Mr Rohit Kumar	Software Engineering	Software Engineering	Software Engineering
Dr Ravreet Kaur	Parallel & Distributed Computing	Parallel & Distributed Computing	Parallel & Distributed Computing
Dr Preeti Aggarwal	Medical Image Analysis, Image Processing, Machine Learning	Medical Image Analysis, Image Processing, Machine Learning	Medical Image Analysis, Image Processing, Machine Learning
Dr Deepti Gupta	Wireless Sensor Networks	Wireless Sensor Networks	Wireless Sensor Networks
